## Hollywood's #1 Post Solution

High end professionals working on feature films and television shows use DaVinci Resolve more than any other solution! That's because it's known for incredible quality and creative tools that are light years beyond the competition. You get DaVinci's Emmy™ award winning image technology with 32-bit float processing, patented RGB color science and a massive wide gamut color

space for the latest HDR workflows. You also get the legendary quality of Fairlight audio processing for the best sound in the industry! With DaVinci Resolve, you get the same tools professional colorists, editors, VFX artists and sound engineers use every day to finish your favorite films and streaming television shows!

# ADVANCED VIDEO EDITING AND CINEMA COURSE BY 100 INTERNATIONAL

Welcome to our Advanced Video Editing Course!

Welcome to **100 International**, a multinational company dedicated to taking creativity to the next level. We are excited to announce our **Professional Video Editing and Cinema Course**, designed to help you master essential editing engine **DaVinci Resolve**. This 1-month program includes **8 practical assignments**, given weekly, to ensure hands-on learning and skill development. Conducted entirely online via Google Meet, the course offers complete support from our experienced team throughout its duration. Now WORLD is Changing into Davinci Resolve. Don't miss this chance to change!

An added advantage is that completing this course qualifies you for a **6-month internship** with **100 International**, where you can gain real-world experience. Since the course counts toward two months of the internship, only **5 months remain** after course completion to finish the program. Participants will also receive a **professional certificate**, which serves as a basic requirement for joining the internship. Our team, experienced in global editing techniques, is committed to helping you achieve professional results by exploring multiple creative possibilities. Don't miss this opportunity to sharpen your video editing skills with guidance from industry experts. Learn more and register by visiting **[www.100-international.com](http://www.100-international.com)**
